Format

The manuscript should be typed, double-spaced, in its completed form, and submitted electronically in MS Word or PDF format. Allow at least 1.25 inch margins and number pages consecutively throughout the paper. Number footnotes serially to correspond to the text. Include on the title page the full name of the author, academic and other professional affiliations, and the complete address to which proofs and correspondences should be sent.

Please follow *The Bluebook: A Uniform System of Citation* (18th ed. 2005 or most current).

Please indicate in your submission cover letter or email whether ELQ should consider your piece as an Article (researched and written after receiving your J.D.), a Comment/Note (if you researched and wrote all or a substantial portion of the piece before receiving a J.D.), an Essay, or a Book Review.

Only unpublished manuscripts will be considered for publication. If any part of the paper has been published previously, or is to be published elsewhere, the author must include this information at the time of submission.
